

Dear Parents,

I will be using the Remind app in my classroom to help keep communication between us at its best. I will be sending text messages periodically to help keep up with important information (picture days, fundraiser deadlines, field trips, etc.)

There is no cost for this service and your phone number will remain private. If you would like to stop receiving messages anytime during the year, you can text the word "stop" to the number you are provided. You can also text me using this app if you have any questions or if you have a change in dismissal. It is my hope that this will help strengthen the home-school connection, so that you feel informed. Please do not hesitate to contact me if you have any questions.

To join text: @6g33bd to: 81010

Thank you!

Mrs. Riley
